New York, N.Y.

Dear Mr. Newell:-

At the suggestion of Mr. Ludlow Bull I am writing you about the Connecticut Tercentenary medal, an illustration of which is shown on the enclosed Bulletin.

It has been suggested that it would be desirable to have some of these medals in various museums and Mr. Bull gave me a list of some sixteen of the leading museums in the country, but he said that he did not know which of these are interested in collections of such medals but thought that you might be able to give some advice on this matter.

Thanking you in advance for any trouble I may be giving you, I am,

Very truly yours,

Chairman
